		(um)	(mil)		(N/in)	ASTM D-3330 (oz/in)
DSCT01	Cloth	220	8.7	10†	12†	43
DSCT02	Cloth	280	11.0	10†	15†	54
DSCT03	Cloth	380	15.0	12†	17†	61
DSPPT01	Opp	160	6.3	8†	10†	36

Product Characteristics

- Good peeling force ease the removal process without leaving residue
- Good temperature resistance
- Excellent flexibility as well as high tensile strength provide
- Quick sticking properties
- Easy to install and tear
- Provides excellent adhesion to both smooth & rough, textured surfaces
- High tackiness as well as strong bonding force due to intermolecular van der Waals force
- Unique construction of tape adhesion enable excellent stability on regular applications

Product Sizes

Cut Sizes : As per customer requirements

Shelf Life

12 Months Storage at 23°C and 65% Relative Humidity
